CO SIĘ DZIEJE Z TYMI, KTÓRZY ODESZLI Z TEGO ŚWIATA?
JAKA JEST PRAWDA O NIEBIE I PIEKLE?
CZY KAŻDY MOŻE NAWIĄZAĆ KONTAKT ZE ZMARŁYMI?
JAK WYGLĄDA PODRÓŻ W ZAŚWIATY?
CZY ZWIERZĘTA MAJĄ DUSZĘ?

Na te i wiele innych pytań odpowiada człowiek, który łączy karierę prawniczą z działalnością w charakterze medium. Mark Anthony zaprasza w podróż, która podnosi na duchu, usuwa strach i przesady związane z kontaktowaniem się z duchami. Jednocześnie zapewnia bezcenne spostrzeżenia dotyczące bolesnych tematów, takich jak przestępstwa, zabójstwa, samobójstwa i poczucie winy u tych, którzy pozostali na tym świecie.

Poprzez znalezienie kompromisu pomiędzy postrzeganiem duchowym i naukowym, ta przełomowa książka udowadnia, że dusza wiecznie trwa, oraz że dane nam będzie znowu spotkać się ze wszystkimi kochanymi przez nas osobami, które w tym życiu utraciliśmy. Wprowadza innowacyjne koncepcje, wyjaśniające komunikację międzywymiarową w oparciu o fizykę, fizjologię, teologię i autentyczne zdarzenia. Wychodząc od tematu karmy i reinkarnacji, zmierzając ku wewnętrznemu światłu, zapewnia zupełnie nową perspektywę życia po śmierci.

KONIEC PRZESĄDÓW, CZAS NA PRAWDĘ!

Każdy powinien przeczytać tę książkę.
